

## **Makheni Zonneveld**

Future Readiness, Leadership and Diversity specialist  
Live and Virtual Speaker, Facilitator, Coach and Storyteller

Makheni will help your organization to be future ready and help your teams to perform optimally.

She has more than 20 decades experience in serving organizations like yours and also addressing local and international conferences.

This international speaker is rated as one of the top 6 speakers in her native country, SA. That is not only due to her unique engaging style and the fact that she offers tailor-made solutions but also because she is a content. She has extensive real-life experience at all levels in the corporate sector including reporting to a CEO.

This Future Readiness Coach has an approach to future readiness and goes beyond the current globotics upheaval and will stand the test of time beyond the Covid-19 upheaval.

Her thought-provoking approach to real organisational transformation goes beyond the popular management hypes and helps leaders at all levels to focus on what really works and understand what drives the popular management hypes that hamper real transformation.

Her approach to inclusion goes beyond the usual focus on multiculturalism. She developed her diversity competency program, Beyond Multiculturalism, while she still lived and worked in her native country, SA. This positive message is becoming more and more relevant as the world becomes more and more polarised.

She puts inclusion and leadership together in a light-hearted manner in her e-book 'The Intersection – Where Storytelling, Leadership and Diversity Competency meet'.

She is also a Neethling Brain Instruments (NBI®) Master Practitioner and co-owns the Dutch agency of this international method. Among other achievements in the past two decades, she was nominated for the Woman of the year award in 2005. In 2013 and 2014 she received two awards recognising her commitment to the advancement of creativity and innovation globally.

She presents these topics live and virtually in both English and Dutch:

- The Future Ready organisation / team
- The future ready leader (executive and operational management)
- Beyond Multiculturalism - real inclusion
- Cognitive diversity and your team / organisation
- Setting yourself up to succeed in an unknown future

Although she is based in the Netherlands, her area of operation is the world
